

**Under the directives of
Mohammed bin Rashid and follow-up of Hamdan bin Mohammed**

**Supreme Committee of Crisis and Disaster Management in Dubai
announces new air travel protocols for Dubai citizens, residents and
visitors**

GENERAL GUIDELINES

- Citizens and residents allowed to travel to any foreign destination, according to measures taken by countries regarding foreign arrivals.
- Travelers bear full responsibility for their actions and for checking the COVID-19 situation of the country they wish to visit, as well as self-monitoring any symptoms they may experience.
- All citizens and residents will have to undergo a PCR test upon arrival at Dubai airports.
- Tourists given the option to show their PCR test results (valid for 96 hours) upon their arrival to Dubai or carry out a test at Dubai airports.
- All positive COVID-19 cases will be quarantined for 14 days, with travelers bearing the costs of treatment and isolation.

RETURN OF DUBAI RESIDENTS FROM TOMORROW JUNE 22, 2020

- Return approvals are carried out by Dubai's General Directorate of Residency and Foreigners Affairs through a direct link with airlines.
- PCR tests are taken at Dubai airports.
- 14-day quarantine imposed for all positive COVID-19 cases.

DUBAI CITIZENS AND RESIDENTS ALLOWED TO TRAVEL ABROAD FROM JUNE 23, 2020

- Citizens and residents allowed to travel to foreign destinations, according to Dubai airports' official flight schedules and subject to airports being operational at these destinations.
- PCR tests at Dubai airports must be taken upon their return.
- 14-day quarantine imposed for all positive COVID-19 cases.

ENTRY OF VISITORS AND TOURISTS TO DUBAI FROM JULY 7, 2020

- Tourists and visitors allowed to enter, according to Dubai airports' official flight schedules and subject to airports being operational at their departure destinations.
- Show their PCR test results (valid for 96 hours) upon their arrival to Dubai or carry out a test at Dubai airports.
- 14-day quarantine imposed for all positive COVID-19

Traveler responsibilities (CITIZENS, RESIDENTS AND TOURISTS)

- Adhere to all official measures and requirements established by the Dubai Government and other countries before traveling and after returning to Dubai.
- Disclose any symptoms before traveling by filling in the form provided by airlines.
- Ensure you have international health insurance coverage before traveling.
- Citizens must notify UAE embassies if they are infected with COVID-19 while they are abroad.
- Residents and tourists will bear the costs of examination and treatment abroad, in the event they are infected with COVID-19.
- Take precautionary measures and self-monitor for any symptoms of COVID-19.
